### Project Aware Cleanup Sept 22

Calling all divers! Join us for a Project Aware cleanup on Saturday, Sept. 22 at Sunset Lake, Linton, 10:00 am. There are no dive fees, and gear rental is free on a first come, first served basis.

You can help the environment, clean up a local dive site, and join in the fun with a great group of local divers.

#### Set Your Class Schedule

At SIS, we're pleased to have 5 of the most professional, dedicated instructors in the area, plus a wealth of great Assistant Instructors and Divemasters.

This means if our scheduled classes aren't convenient for you, you can schedule a private class at your convenience, on your time schedule. We're always happy to discuss class options with you.

#### Congratulations

Congratulations to John Vargo. John's name was drawn during a recent member drawing from DAN - Diver's Alert Network. He won a DAN jacket.

### Annual Clothe a Child Fundraiser Saturday

Nov. 3

#### BHS South Pool

SIS will be hosting the yearly fundraiser again this year for the Clothe A Child program. All funds raised will go to the program, which is organized by the local Fraternal Order of Police.

Local children in need are provided with clothes, coats, shoes and at least one toy for the holidays through this program.

Plan now to participate in the fundraiser. We'll have underwater darts, checkers, games, and lots of fun and prizes from major diving manufactures. **YOU DO NOT NEED TO BE CERTIFIED** in order to participate, but you do need to pay a minimum \$100 entry fee to be able to win prizes.

Collect pledges and donations for this worthy cause, and remember, 100% of the money collected goes to the Clothe-a-Child program. Last year we collected \$1500 for the kids, and this year we hope to do even better!

Call us for details and to sign up to help local kids in need.

## All Large Travel Bags On Sale NOW!

### Venture Scout Troop

SIS is proud to be the sponsor of a coed Boy Scouts Venture Scout Troop. Instructor George Connolly is the advisor for the troop, which is in the organizational stage. Anita Henry and Bill Cain are assisting, along with several others.

The troop is self-governing, while the adults act in an advisory capacity. The 14 to 20 year olds will be focusing on water related activities, such as scuba diving, canoeing, camping, and fund raising activities.

Scouts and advisors are needed to join in the fun and adventure, and you do not need to be a certified diver to participate. If interested call Southern Indiana Scuba, or e-mail info@southernindianascuba for details.

### Discover Underwater Photography - New Specialty Class

Have you wanted to try underwater photography, but aren't quite ready to 'take the plunge' into a full camera system? Then the new Discover Photography class is just right for you.

You'll experience the basics of photography, and get to use a camera with a Macro kit, and practice in the pool on various sample artifacts.

Discover Photography is a great introduction to the world of underwater photos, and the perfect opportunity to try out the equipment and skills. Call the shop to sign up for our next class on **Oct 13**. The course fee is only \$90, which includes camera rental, film, processing, and underwater photography book.

# Make your great escape in... Style

#### Key Largo, Florida
