New Swim Center

Visit our newest addition at SIS - a swim center designed specifically for swim teams, lap swimmers, and swim clubs. Area swim coaches are recommending the Zip Fins, and we have them! YMCA's recommend Aqua Lung swim goggles, and we've got those, too.

We now carry lap swim fins, hand paddles, caps, the new Aqua Lung Kaiman swim goggles, micro fibre towels, water purification bottles, chlorine removal shampoo and body bath, sun block, and many other extras.

For teams or clubs of 6 or more, be sure to see Mark Brooks to qualify for discount package pricing.

See You At the Fair

SIS will be at the Monroe Co. Fair again this year, July 20-27. We'll have staff on-hand to answer questions, and special items on-sale.

Stop by the booth to say hello, bring your friends to learn about scuba and sign-up for a Discover Dive or Open Water class.

Mermet Springs Trip, Labor Day Weekend

We're hosting a dive trip to Mermet Springs over the Labor Day weekend, August 31-September 2. This will be the perfect end of summer dive getaway, and also the perfect time to complete your specialty certification dives.

Call the shop for details and to sign up.

Bring a Friend Diving Earn \$100

PADI's Bring a Friend Diving program continues to grow by leaps and bounds!

PADI will pay you \$50 for every 3 divers you refer who complete their open water certification. If you're a member of the PADI Diving Society, you'll receive \$25 more.

Plus, Southern Indiana Scuba will give you a \$25 gift certificate that you can use in any way you like - gear, trips, or classes.

There are other gear manufactures, resorts, and dive industry leaders who are participating in this program, with

potential redemption amounts of over \$10,000 in goods and services.

We have one diver who is bringing a group of 15 divers....that means he will receive \$500!

We keep seeing divers who are getting the gear and trips they want simply by bringing others into the sport that they love.

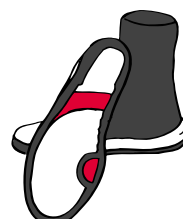

Do you have friends and family who want to dive? Let us help you get your referrals. We'll help with materials, discover dives, and the quality instruction you've come to expect from SIS.

1 Year Same as Cash

SIS and American General Finance can now offer you **1 Year Same as Cash** financing on gear purchases with **NO INTEREST** and **NO PAYMENTS**.

A minimum purchase of \$1000 is required for the "1 Year Same as Cash" deal, but we also have "**90 Days Same as Cash**" and "**6 Months Same as Cash**" available for smaller purchases.

Many divers are taking advantage of this financing to get the gear they really want.

Now is a great time to get the new equipment you've been wanting and have up to 1 year to pay!

Congratulations Anita Thompson

Anita Thompson, SIS office manager, has completed the requirements for PADI Assistant Instructor.

Assistant Instructor is the next step up the PADI ladder from Divemaster, and represents a significant investment in time, study, commitment, and skill development.

We are pleased to congratulate Anita as she moves up from Divemaster to A.I. Come in, congratulate Anita, and sign up for a class with her!
