### Upcoming Season

As I become older, time flies faster. This morning was spring, but now Christmas is upon us. I find it hard to believe, but the signs of the season are all around us. One look at the stores proves it. Then, the weather turns cooler, the trees are losing their foliage, and the days are shorter. During this season is the best time to plan your next trip, or get your dive equipment serviced so that it will be ready for your next outing.

The past year has been a busy one. We are anticipating 2004 with excitement. Several new lines of merchandise are at the store for your inspection. We will have the coffee pot on, so stop by and visit. We enjoy having you come by to drink some coffee and eat some popcorn while you share your stories with us. If it has been awhile since your last visit, come back soon to see the new products designed to make diving more fun.

From everyone at Southern Indiana Scuba, we wish you a Happy Holidays and a GREAT New Year.

Mark, Kim and the crew at SIS.
